

PERMIT ISSUANCE ACKNOWLEDGEMENT

Sec 700 Date _____

1. You are the principal, employee, representative, or agent with signatory rights for the Limited Liability Company (LLC), Corporation, Company, or Private Entity to whom this permit is being issued.
2. You are aware as the principal, employee, representative, or agent that the Limited Liability Company (LLC), Corporation, Company, or Private Entity named in the permit must have a current occupation license with the City of Kansas City Missouri and, as it applies, has a status with the Missouri Secretary of State's Office of "Active" for a LLC, or "Good Standing" for all other business types.
3. You have read completely the permit conditions in its entirety - and agree to comply with them.
4. You have completed a review of the plans, and read completely the quantities as shown on the plans and agree that they are accurate and reflective of the actual work quantities in the plan sheets, and agree to complete the contract reference item types even if the quantity amounts are approximate or inaccurate. Or, if no plans are required, you have reviewed the permit carefully as it relates to the required work.
5. You have reviewed the work under this permit, including the permit completion date - and agree to complete the work by this date. In the event completion of the work is not achieved by this date, you agree to all required additional fees that may be assessed and collected per the City Code of Ordinances. Fees typically amount to \$1000.00 per month for Infrastructure and Development permits and \$216.00 per month for Site Disturbance permits
6. You have reviewed and read completely IB167 "Public Infrastructure Issued Permit Extension Checklist"
7. You acknowledge that you have been given a copy of plans stamped "Reviewed for Permit Compliance", if plans are required for this permit.
8. You have reviewed the permittee contact information on the permit and it is current and correct.
9. You have been informed and understand that this permit, if it involves storm and sanitary sewer work, that it obligates you as the permittee (Principal under the Bond if applicable) to provide as-built records as a condition of satisfying the Bond Performance obligations under this permit. The "Beginning of Maintenance Period" will not start until the Maintenance Bonding has been addressed and the final plat and/or easements have been recorded where applicable. The permittee hereunder will be given 30 days notice to provide said as-builts in accordance with adopted policy. (Applies to storm sewer, sanitary sewer, and SECD Development permits only).
10. You are required to confirm with Public Works Department if this permit scope of work requires a Public Work's Traffic Closure (Street and/or Sidewalk) permit, 5th Floor City Hall (816) 513-2646.
11. You have been given an opportunity to ask questions and receive clarity on any concerns/issues you as the permittee may have or have had.

Director of City Planning & Development

Permittee, or an employee, representative, or agent for the permittee
